

Before Surgery

Follow the steps outlined below to start the process for weight loss surgery.

Step 1: Are you a candidate?

Read our Surgical Associates Guide to Weight Loss Surgery. This will give you information that you will need to complete your forms.

Step 2: Forms

You will need to print these.

Step 3: Payment Options

See list of insurances we participate with. Determine if insurance will cover your surgery.

Step 4: Mail your paperwork to Surgical Associates.

See "Bariatric Forms" for mailing instructions. Once we receive your forms we will review them and then call you for an appointment.
